- Electrician	\$35.00

### STAFFING NOTES:

- 1) All fees are per hour unless otherwise stated.
- 2) All production calls are based on a 4-hour minimum.
- 3) The standard workday is from 8:00am to 12:00am.
- 4) Overtime is defined as: Hours worked outside standard workday (12:01am to 7:59am), or individual time exceeding 10 hours worked on any given day (excluding show calls).
- 5) All stagehand labor working past 12:00am are compensated at an overtime rate for time worked. Riggers are compensated for the duration of the scheduled call, regardless of time worked.
- 6) Production staffers may work up to, but not exceed, 5 consecutive hours worked without break or meal penalty.
- 7) We do not allow pyramiding of overtime in cases where multiple criteria have been attained. Per hour rates may not exceed 2x the standard rate of pay.
