The Photographer's Place

Yesterday Village

The natural beauty of Yesterday Village exudes a warm, comforting home-town atmosphere with inviting porches and the opportunity to say "I do" at sunset, then dance beneath the stars with loved ones. The Village consists of nineteen original log structures built in the 1800's in various locations in the

Triad Area, then relocated to the Dixie Classic Fairgrounds in the 1980's and 1990's. Its central locale in Winston-Salem makes it an

easy destination for all guests. Parking is ample and convenient to the wedding and reception site. Permanent restrooms are located on the perimeter of the Village. While it is located within the city, the quiet atmosphere makes you feel like you are out in the sprawling countryside of the Piedmont region.

Rental of Yesterday Village or the Windsor Jewelers Club includes:

- ◆ Ceremony/Reception Set up
- ◆ In-house Catering Service Contact
- ◆ Personal Event Coordinator
- ◆ Parking adjacent to either venue
- ◆ Restroom Access
- ◆ Set-up before event & clean up following your event

To Book Your Wedding:

Windsor Jewelers Club

The Windsor Jewelers Club is an upscale facility located within the LJVM Coliseum. The Club consists of three different rooms, that can be rented separately or as a whole. Host your reception, ceremony, or both at the Windsor Jewelers Club. The Club has a sound and video system in all three of the rooms. The system can

be linked to provide you with the same entertainment experience in all three rooms. Utilize systems separately to create a different atmosphere from

one room to another. Play slideshows of your cherished moments spent together, while listening to your favorite songs. Room discounts apply with catering services through our in-house caterer. Opt for your guests to dine at an elegant banquet, and then dance the night away on our wood parquet dance floor.
